****Guarantee of Payment****

For purchase properties: Surveys & Elevation Certs being paid out of buyers/sellers funds (per contact) on the closing documents (TRID).... I understand that if this transaction does not close, payment for the survey work that has already been completed will be taken from my credit card information below or the closing agent (title company) agrees to pay for the survey and or elevation cert out of the earnest money funds before it gets distributed back to the buyer or to the seller (per contract).

For refinance properties: Survey being paid out of owner funds on the closing documents (TRID).

I understand that if this transaction does not close, payment for the survey work that has already been completed will be taken from my credit card information below.

For survey and elevation cert orders that do not involve a title company, please fill out payment information below. You also have the option to pay with a check. Please note that completed work will not be released until we have received payment.
